

THRIVE®

real ice cream. real benefits.

Dear Retailer,

As a frequent customer of your store, one additional item I would like to be able to purchase is **Thrive® Ice Cream!** Thrive® is great tasting ice cream with added nutrition in the form of **Protein, Fiber, Probiotics and vitamins and minerals.** Thrive® has both a regular ice cream and a No Sugar Added version available. Please see below the UPC codes and contact information on **ordering Thrive®** so you can bring the **“Next Generation in Nutrition”** to your store. Thank you for your prompt efforts to get this stocked for me. Please let me know the status of this request.

Sincerely,

Name: _____ Phone: (_____) _____
